The Great Depression was a time of great hardship for many Americans.

Families lost their homes, their jobs, and their savings. But one family found a way to survive by relying on their cooking skills.

The family in this story is the Martin family. They lived in a small town in Iowa. When the Great Depression hit, Mr. Martin lost his job at the local factory. Mrs. Martin was a stay-at-home mom with four young children.

The Martins were determined to make it through the tough times. They sold everything they could to raise money. They even moved into a smaller house. But no matter what they did, they couldn't seem to get ahead.

One day, Mrs. Martin had an idea. She decided to start selling her home-cooked meals to her neighbors. She made delicious pies, cakes, and other treats. People loved her food, and soon she was making a decent living.

The Martins' story is an inspiring example of how a family can overcome adversity. They never gave up on each other, and they always found a way to make things work.

This book is full of delicious recipes, heartwarming stories, and inspiring lessons about the power of family and community.
