

Black Dignity in a World Made for Whiteness: A Call to Action

By Ibram X. Kendi

In this groundbreaking book, renowned scholar and activist Ibram X. Kendi confronts the unspoken rules that govern our racialized society and shows us how to dismantle them.

Kendi argues that we live in a "culture of anti-Blackness," where even the most well-intentioned people can perpetuate racist ideas and policies. He traces the history of this culture, from slavery to Jim Crow to mass incarceration, and shows how it has shaped our institutions and our minds.

But Kendi also offers a way forward. He outlines a series of concrete steps that we can all take to create a more just and equitable society. He calls for

us to challenge racist ideas, to support Black-led organizations, and to work to dismantle the systems that uphold white supremacy.

Black Dignity in a World Made for Whiteness is an essential read for anyone who wants to understand the root causes of racism and to take action to create a more just world.
