Synopsis

Even Monsters Get Scared is a heartwarming story about a monster named Buddy who is afraid of the dark. All the other monsters laugh at him, but Buddy knows that there is something lurking in the shadows. One night, Buddy's fears come true when he is chased by a scary ghost. Buddy learns

that even the scariest creatures can be afraid of something, and that it's okay to be scared sometimes.

Even Monsters Get Scared is a gentle and reassuring story that teaches children about the power of empathy and acceptance. It shows children that everyone, even monsters, experiences emotions like fear. The book also encourages children to be kind to others, even if they are different from them.
