Some of the trailblazers featured in the book include:

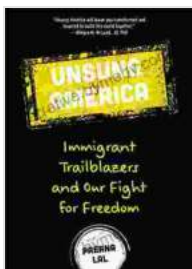

- **Emma Lazarus**, a poet and activist who wrote the famous sonnet "The New Colossus," which is inscribed on the Statue of Liberty.
- **Jane Addams**, a social reformer and Nobel Peace Prize winner who founded the Hull House settlement in Chicago, which provided services to immigrants and the poor.
- **Cesar Chavez**, a labor leader and civil rights activist who fought for the rights of migrant farm workers.
- **Yuri Kochiyama**, an activist who worked for peace and justice for over 50 years.
- **Jose Antonio Vargas**, a journalist and filmmaker who came to the United States as an undocumented immigrant and has since become a leading voice for immigrant rights.
