Junie's hair is a constant source of frustration for her. It's so long and unruly that it seems to have a mind of its own. Desperate for a solution, she hatches a plan to transform herself into a beauty shop guy, complete with a smock and a pair of scissors.

As Junie embarks on her hairdressing expedition, chaos ensues. She snips off too much of her mom's hair, turning her into a human poodle. She accidentally dyes her dad's mustache green, making him look like a giant Jolly Rancher. And let's not forget the time she gives her best friend, Grace, a perm that goes hilariously awry.
