### **Here are a few of our favorite life hacks from the book:**

- **Use a muffin tin to freeze individual portions of soup or stew.** This is a great way to save time and money on lunches or dinners. Simply fill the muffin tins with your favorite soup or stew, freeze them, and then pop them out when you're ready to eat.
- **Use a shower curtain ring to keep your cords organized.** Simply thread your cords through the ring and then hang it from a hook on the wall. This will keep your cords tangle-free and out of the way.
- **Use a straw to water your plants.** This is a great way to get water to the roots of your plants without getting the leaves wet. Simply poke the straw into the soil and squeeze the water out.
- **Use a lint roller to clean your furniture.** This is a quick and easy way to remove dust, pet hair, and other debris from your furniture. Simply

roll the lint roller over the surface of your furniture and watch the debris disappear.

- **Use a dryer sheet to remove static from your clothes.** This is a great way to make your clothes feel softer and more comfortable. Simply rub a dryer sheet over the surface of your clothes and the static will disappear.

These are just a few of the many life hacks that you'll find in this book. With so many helpful tips to choose from, you're sure to find something that can make your life easier. So what are you waiting for? Start reading today and start making your world easier in minutes!
