The author, who served in the Israeli military for over 20 years, has a deep understanding of the region's history, culture, and politics. He uses this knowledge to provide a balanced and nuanced analysis of the conflict, explaining the motivations of all sides involved.

New Hope for Israel is not a political screed. It is a well-researched and objective account of the conflict, based on the author's first-hand experience. The book provides a wealth of information about the region, including its history, its people, and its politics.

The book is also a call for peace. The author argues that the only way to resolve the conflict is through a negotiated settlement that takes into account the needs and concerns of all sides.

New Hope for Israel is a must-read for anyone who wants to understand the Middle East conflict. It is a balanced, informative, and thought-provoking book that provides a fresh perspective on one of the world's most intractable conflicts.

Why You Should Read New Hope for Israel
