To use these flashcards, simply print them out and cut them into individual cards. You can then study them in any way that you like. You can go

through them one by one, or you can shuffle them up and test yourself.

No matter how you choose to study them, these flashcards will help you to improve your arithmetic skills and prepare for the SSAT or ISEE exam. So start cramming now and boost your score!

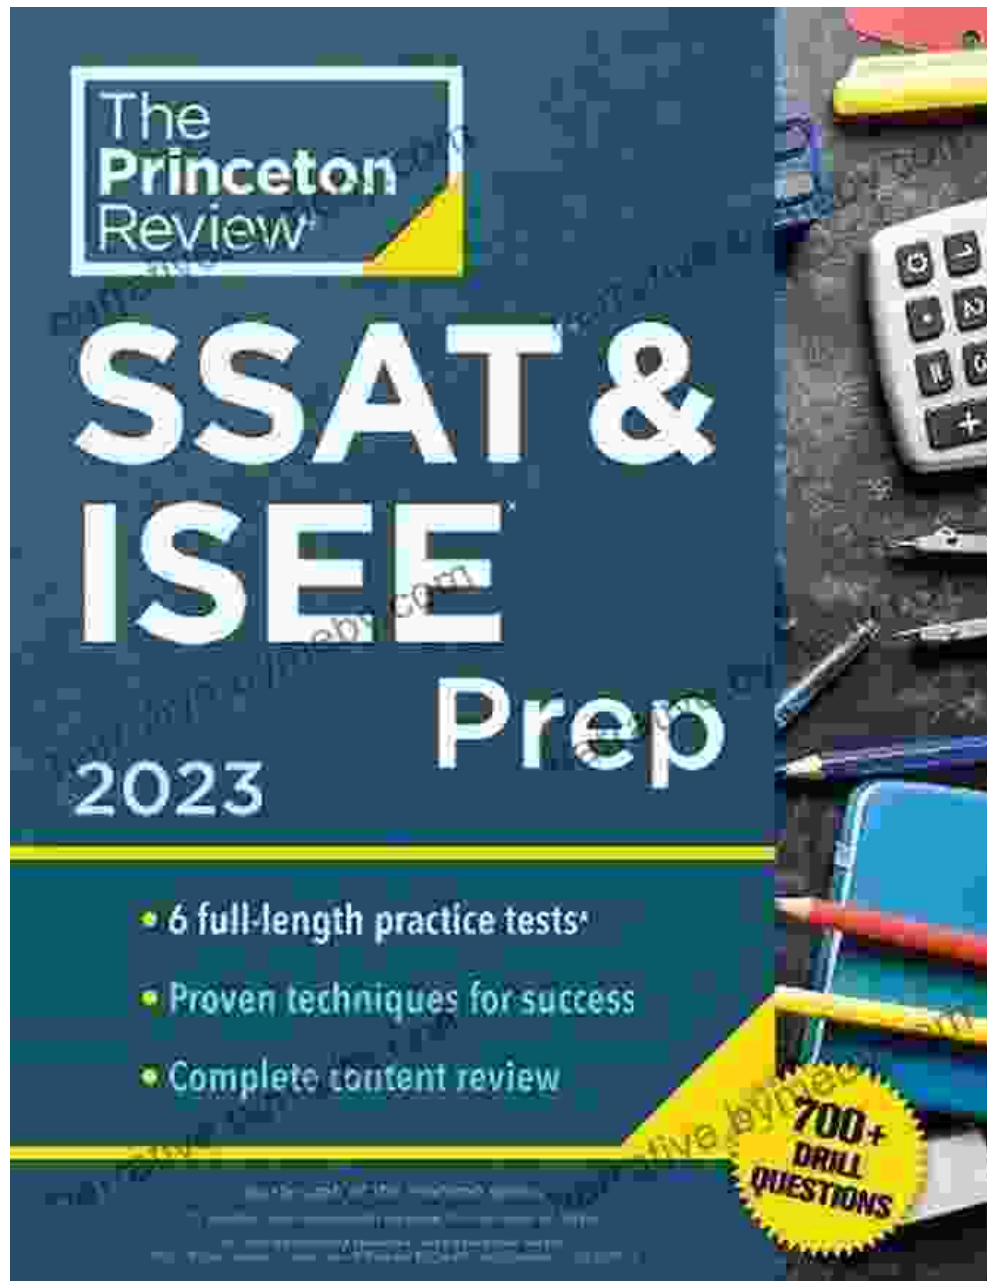

Here are some tips for using these flashcards:

- Start by going through the flashcards one by one. This will help you to get a basic understanding of the material.
- Once you have gone through the flashcards once, start to test yourself. Shuffle the cards up and see how many you can answer correctly.
- If you miss a question, don't worry! Simply go back and review the material on the flashcard.
- Keep studying the flashcards until you can answer all of the questions correctly.

These flashcards are a great resource for preparing for the SSAT or ISEE exam. Use them to improve your arithmetic skills and boost your score!

In addition to these flashcards, we also recommend that you practice taking full-length practice tests. This will help you to get a feel for the format of the exam and to identify any areas where you need to improve.

With hard work and dedication, you can achieve your goal of scoring high on the SSAT or ISEE exam. So start studying today and make your dreams a reality!
