In *Sword, Stone, Table: Old Legends, New Voices*, a diverse group of scholars and writers explore the enduring power and relevance of these timeless tales. Through a series of essays, they offer fresh perspectives on the Arthurian legends, examining their historical origins, their literary and cultural significance, and their continuing appeal to audiences of all ages.

The essays in *Sword, Stone, Table* are divided into three sections: "The Sword," "The Stone," and "The Table." The first section explores the origins

and symbolism of the sword Excalibur, one of the most iconic weapons in all of literature. The second section examines the significance of the stone in the Arthurian legends, both as a symbol of power and as a source of mystery. The third section explores the role of the Round Table in the Arthurian court, and its importance as a symbol of unity and fellowship.

Sword, Stone, Table is an essential read for anyone interested in the Arthurian legends. It offers a fresh and thought-provoking look at these timeless tales, and it is sure to inspire new insights and appreciation for their enduring power.
