An Insider's Unfiltered Account

For nearly two decades, I worked closely with Donald Trump, first as his bodyguard and later as his campaign manager and White House advisor. During that time, I witnessed firsthand the man behind the public persona, the ruthless negotiator, the uncanny motivator, and the unpredictable leader.

In this explosive book, I reveal the true character and motivations of one of the most controversial figures in modern politics. I share never-before-told stories about his business dealings, his presidential campaign, and his tenure in the White House.

You'll learn about:

- Trump's relentless drive to succeed, no matter the cost
- His uncanny ability to connect with his supporters
- The dark side of his personality, including his vindictiveness and paranoia
- The chaos and dysfunction of the Trump White House
- The untold story of Trump's relationship with Russia

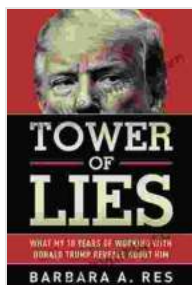

This book is not a hagiography or a hatchet job. It is an honest and unflinching account of my time working with Donald Trump. I offer no easy answers or partisan spin. Instead, I provide a raw and intimate portrait of the man who has captivated and divided the world.

Whether you love him or hate him, you need to read this book. It is the definitive account of Donald Trump, the man, the myth, and the legend.
