

Wild Card Quilt The Ecology Of Home: A Must-Read for Nature Lovers and Quilters

Wild Card Quilt The Ecology Of Home is a beautiful and informative book that explores the intersection of nature and quilting. Author and artist Sue Cody shares her passion for both subjects, and her unique perspective will inspire you to see the world in a new way.

The book is divided into four sections:

- **The Wild Card Quilt:** This section introduces the concept of the wild card quilt, which is a quilt that is made from fabrics that are found in nature. Cody provides instructions for making a wild card quilt, and she also shares some of her own wild card quilts.
- **The Ecology of Home:** This section explores the relationship between humans and the natural world. Cody discusses the importance of biodiversity, and she provides tips for creating a more sustainable home.
- **Nature's Patterns:** This section examines the patterns that are found in nature, and how these patterns can be used to create beautiful quilts. Cody provides instructions for making several quilts that are inspired by nature's patterns.
- **Art from the Wild:** This section features a gallery of quilts that are made from natural materials. These quilts are truly works of art, and they showcase the beauty of the natural world.

"Wild Card Quilt The Ecology Of Home is a beautiful and inspiring book. Sue Cody's passion for nature and quilting is evident on every page, and her unique perspective will inspire you to see the world in a new way." - The Quilting Quarterly
